The first courthouse of Perry County was built in Pinckneyville in 1828 on the site where the old First National Bank building is now located. It was of log construction, eighteen feet by twenty-two feet and two stories high. Berry Anderson was awarded the contract and was paid the magnificent sum of \$54.00 for its construction. The second courthouse was a two story brick structure situated near the center of the public square. It was completed in 1837 by Amos Anderson at a cost of \$2,605.87. The third courthouse was completed in 1850 by Daniel W. Norris of St. Clair County at a cost of \$7,500. In 1878 the proposition for a fourth courthouse carried, and the contract was let to William G. Wilson of Pinckneyville for \$9,742. The present building was remodeled from the fourth courthouse at a cost of \$50,000. in 1939.

The Pinckneyville Chamber of Commerce owns one of our town's most outstanding landmarks, the giant Santa Claus, which is assembled on the north courthouse lawn every Christmas season. Pinckneyville's twenty-six foot Santa, which is held together by over 700 brass screws, was constructed by Mr. Glen Hamilton's shop class of 1952, and painted and drawn by Carl Marlow. The huge Santa withstood the tornado experienced by Pinckneyville on December 18, 1957, and was recognized in an article by the Associated Press in 1954.

Mrs. Dry — One of "our town's" dedicated teachers

The 1977-78 annual staff proudly dedicates this year's "Pyramid" to Mrs. Helen Dry who has spent twenty-six of her thirty career-years here at Pinckneyville Community High School teaching Typing I, office machines, office practice, and personal typing. For several years Mrs. Dry served as co-sponsor of Hi-Tri. Before being employed here at PCHS, Mrs. Dry taught at Baird, Bellflower, and Pinckneyville's Consolidated 204 schools. She was also the first Perry County Assistant Superintendent of Schools.

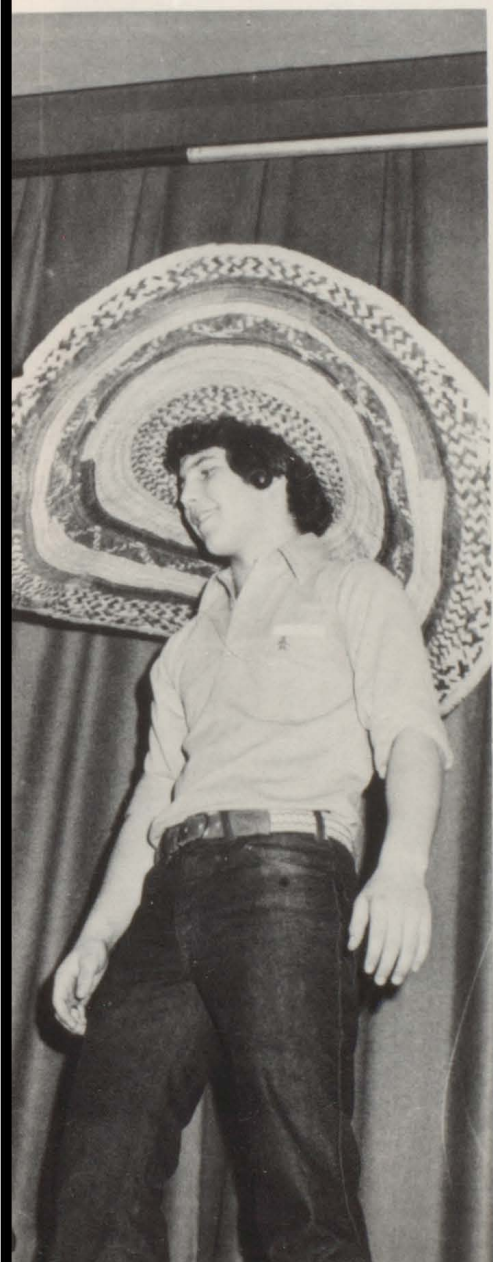

Away from school Mrs. Dry has found time to enjoy being a 4-H worker since 1956. In addition, Mrs. Dry is also a member of the American Association of University Women and the Business and Professional Women's Club. Along with being an elder of the First Presbyterian Church in Pinckneyville, Mrs. Dry is a member of the Mariners, and sings in the choir. She is one of "our town's" dedicated teachers.

In my little town I grew up believing . . .

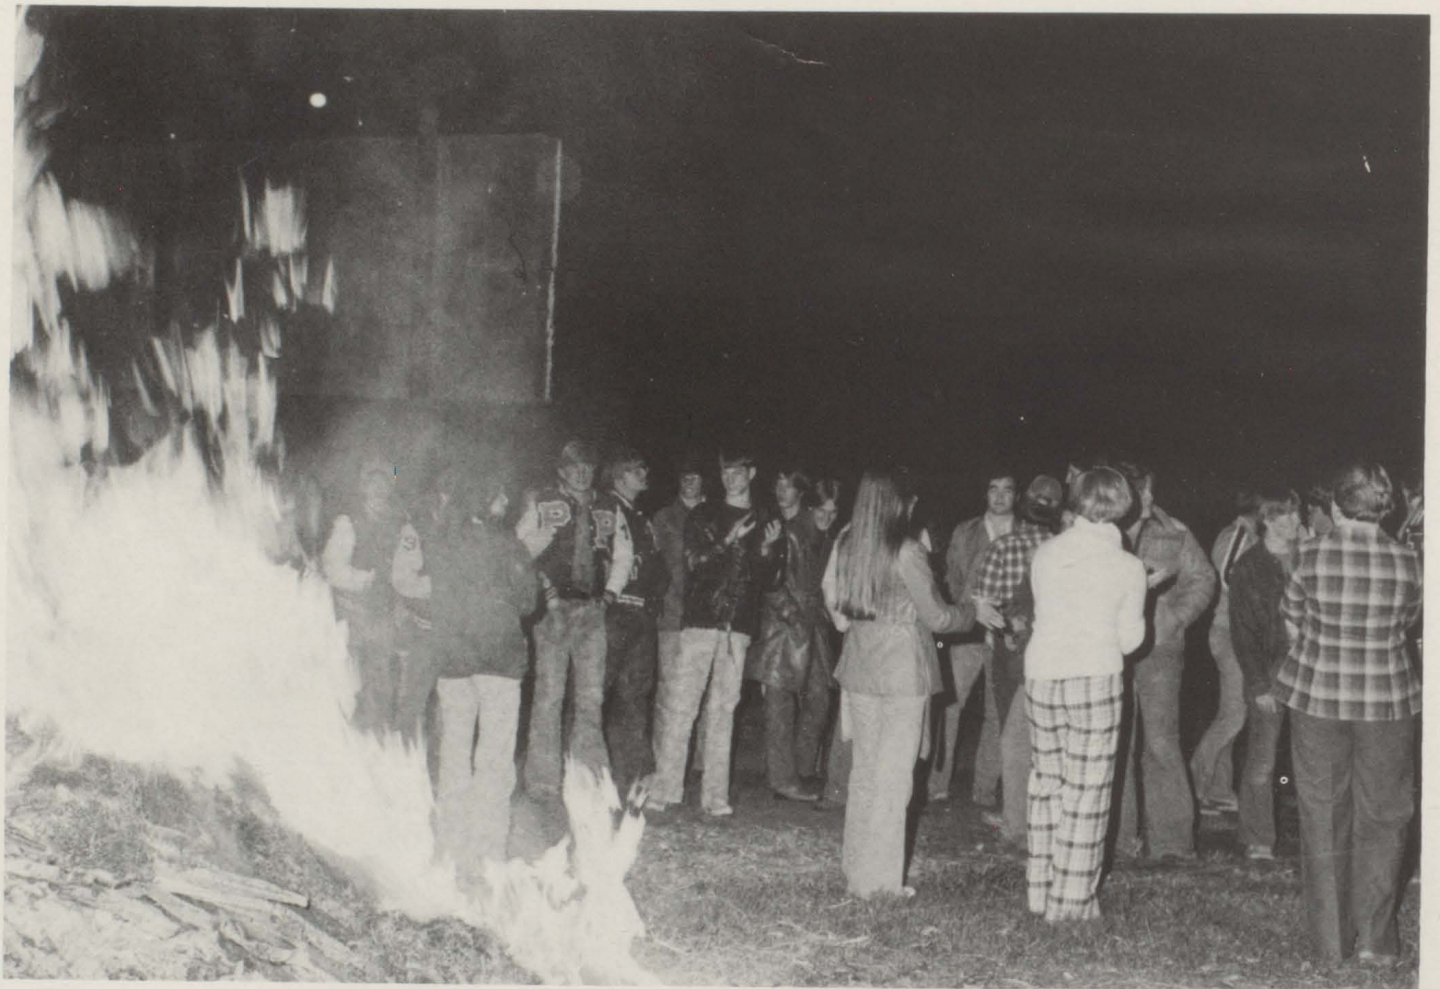

The original plat of Pinckneyville, which was named after Colonel Charles Cotesworth Pinckney, was executed on July 21, 1929. Joseph Wells' home on the south side of the square, was the first house built in Pinckneyville, and became the town's first licensed tavern. The first dry goods store was owned by Charles Glover. Humphrey Jones kept the first post office which was located north of the present St. Bruno's Catholic Church.

Debbie Schwarz and Shari Dempsey "hamming it up" between classes.

. . . *God keeps his eye on us all.*

Pinckneyville's bicentennial mural was painted by John Belek and designed under the direction of Larry Wilson. The mural depicts: the fairground gateway arch, representing the oldest county fair in Illinois; two masks, representing the Mardi Gras, the oldest celebration of its type in the Midwest; the old opera house; the old courthouse; a threshing machine, representing the annual Thresherman's Show; a dragline, representing the area's largest industry; Colonel Pinckney and Commodore Perry for whom our town and county were named.

Pinckneyville — Our Bicentennial Town. Pictured is a modern junk sculpture, in reality a fountain. It is located in one of our town's two mini-parks, which were built as bicentennial projects through the co-operation of Larry Wilson, the Pinckneyville Bicentennial Chairman, and the Chamber of Commerce. Many organizations and businesses donated material and labor to build these beautiful parks. The Senior Citizens of our town plant flowers in the parks and are in charge of their upkeep.

The historic P. N. Hirsch building, which dates back to the turn of the century, was originally used as a home talent opera house where area people performed. In the Twenties it became a dance hall with music furnished by a player piano, followed later by live music. As early as 1913, the high school used the building for commencement exercises up into the late Twenties. In this same period, the first moving picture to come to our town was shown at the Opera House. When the Jackie Cooper craze hit the U.S., a look-alike contest was held at the Opera House. The Pinckneyville Post Office was located under the Opera House during this time, together with the P.N. Hirsch store which eventually enlarged and turned the Opera House into a warehouse area.

Board of Education

Mr. Grady

Teachers

Employees

The PCHS building that we now attend was constructed and finished by 1930. Throughout its 48 years, the school has employed ten principals. From 1930 to 1932 Harry Wilson was the first to serve the new and growing PCHS. In 1933, PCHS newcomer, Howard Ketring, became our principal until 1941. Our third principal, Roland Keene, was here for only one year when he retired to become a commander in the Navy in World War II. He was replaced by Clyde McDaniel until 1944. The 1944-45 year brought Harley Quillman to PCHS as our fifth principal. After Mr. Quillman's four years, Roland Keene returned to serve as principal from 1948 to 1957, followed by Loren Lemmon, who was here from the 1957-58 years until 1962. The year 1962 brought Harley Quillman back behind the principal's desk for six more years. After Mr. Quillman's retirement from PCHS, Donald Stanton took over in 1968 and was our ninth principal until 1975. From 1975, we have been under the administration of Walter Grady and today he's still going strong.

Since 1930, PCHS' campus has added the Thomas Gym which was built and completed in the Fall of 1951. A mining classroom/shop is now being added. PCHS is surely a school growing to meet its people's demands.

Jack Stumpe serves as President of the Board of Education for 16 years

Being on the Board of Education is a public service, or in other words, a donation of time and hard work. This year, the Pyramid Staff would like to acknowledge the service of Mr. Jack Stumpe, President of the Board. Mr. Stumpe was elected to the P.C.H.S. school board in April of 1961. One year later (1962), he was elected President of the Board, and has held the office to this date. He has worked hard, with the help of the other board members, to uphold and maintain the quality of education at P.C.H.S.

This year the P.C.H.S. Board of Education has approved several expansions. By the end of this summer, the building will be in compliance with the life, health, fire, and safety code. They are also expanding the school's vocational program with an addition to the shop area, which will provide additional staff members. The Board is keeping P.C.H.S. growing to meet the educational needs of "our town."

BOARD MEMBERS. *Left to Right:* Richard Luke, Charles McKinney, Alan McClurken, Jack Stumpe, Dean Crumbacher, Tom Easton, and Bob West.

Mr. Walter Grady came to P.C.H.S. in the school year of 1975-1976. He saw an opportunity in "our town" of Pinckneyville, and decided to give P.C.H.S. a try. Having been our principal for three years now, he says that he likes living and working here very much.

A graduate from the University of Arkansas, Mr. Grady has been employed at the following schools: Teacher-coach at Sikeston Public School, Sikeston, Missouri for three years; Superintendent of Schools, Bloomfield, Missouri for seven years; Superintendent of Schools, Morrisonville Community School, Morrisonville, Illinois for four years; and Superintendent of Schools, Illiopolis Community Unit District, Illiopolis, Illinois for seven years.

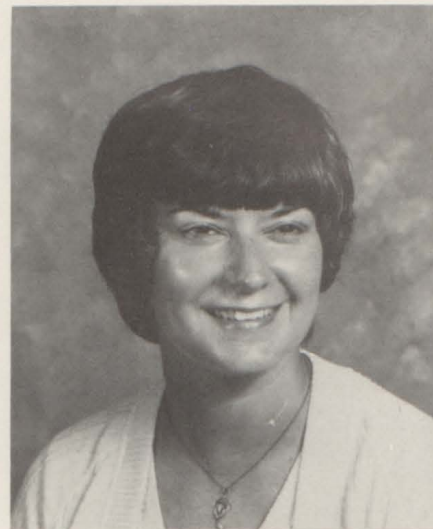

Our office secretaries are Mrs. Nadine Craig (*left*) and Mrs. Nancy Weiman (*right*). Both have been employed at P.C.H.S. for sixteen years.

In 1925 the Businessmen's Association decided a queen ought to reign over the Pinckneyville Mardi Gras celebration, so twelve candidates were selected. The girls agreed that the queen should be chosen by lot. John Neising walked blindfolded around a circle of candidates and dropped a handkerchief behind one girl to name her queen. The handkerchief fell behind Hulda Schroeder making her the first of a long list of young Pinckneyville women chosen as queen.

Black Masque Presents "Up the Down Staircase"

The P.C.H.S. Black Masque presented "Up the Down Staircase" this year. The play dealt with 1st year teacher Sylvia Barrett's problems in her New York classroom. Students and teachers both related to this contemporary drama.

Many people were able to help with the production of the play. The cast included 30 actors and actresses. The show could not have been presented, however, without the help of the crews: construction, stage, make-up, and business. All in all, "Up the Down Staircase" involved over a hundred students working towards opening night.

Early Saturday morning the seniors ventured to Opryland, where they attended the matinee show of the Grand Ole Opry. P.C.H.S. has had quite a long history of interscholastic sports. Basketball and football have been competitive since the early 1920's and are now P.C.H.S.'s major sports. The Basketball Panthers have been to the state finals nine times, and were State Champs in 1948 under the coaching of Duster Thomas. To this day, those years are known as "Duster Days", and he is still often remembered and mentioned in sporting circles. In 1952, Thomas Gymnasium was built, and was named after Duster Thomas for his long period of success as a coach. In 1972, girl's

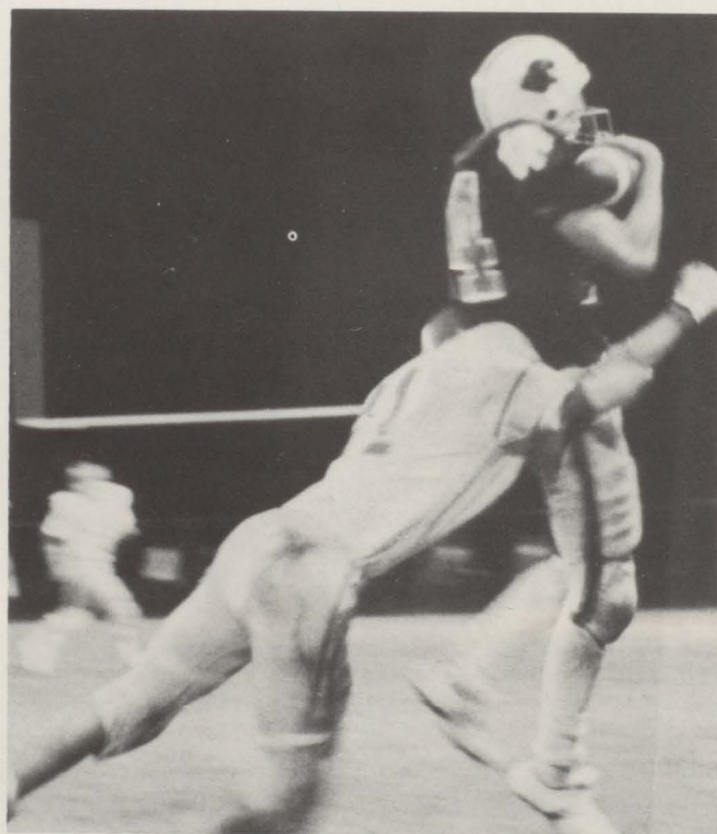

interscholastic sports started, which consisted of volleyball, basketball, and softball; with track being added in 1973. The school's sports program today also includes golf, tennis, wrestling, gymnastics, and track.

To the coal miner of 1855 the machine to the left may well have seemed a dinosaur from the coal formation years rather than a piece of equipment of the late 1900's.

The first shaft mine in Illinois was sunk in Perry County in 1855 by Cornelius Storm. Sometime later a horse and scoop began the stripping industry. In 1904 Thomas J. Howell brought a steam shovel to Perry County which had been used in digging the Panama Canal. Fidelity in 1933 opened its mine with the world's largest stripping shovel — 15 yards and a reach of 85

feet. Consolidation had a wheel built in 1973 that has a reach of 308 feet, weighs 1800 tons, and will move thousands of yards per hour.

In 1975 Perry County produced 12,000,000 tons of coal to lead Illinois counties in coal production.

French Club prepares annual dinner

The French Club, Le Cercle Francais, is sponsored by Mrs. Carole Etta Black, teacher of French I, II, III, and IV and senior English. This year the group participated in the Homecoming Parade by exhibiting a decorated car. A crepe stand was set up during the flea market on the day of the Mardi Gras Parade. They co-sponsored two activities with the Spanish Club: the Christmas Dance, with the theme "Disco '77" and the Heart Fund Fair. The highlight of the year was the French dinner which took place in May.

The Spanish Club started the year by electing officers and setting up a calendar of events. Among the activities in which members participated were: the annual taco stand at the Mardi Gras, a hayride and weiner roast, and the "Disco Christmas 77." They also sponsored a T-shirt contest for a special design for "Los Amigos," the name of the club. The winner was Monica Bostick. Once again they worked with the French Club to organize the Heart Fund Carnival. In April "Los Amigos" took a Saturday trip to St. Louis to visit the Cathedral and to eat at the Hacienda. The end of the year activity consisted of a dinner at which Spanish Club pins were awarded to those people who had earned ten points during the year.

The Black Masque sponsored the fall play *Up The Down Staircase* with the help of student director, Cindy Pursell. To finance the play, the members sold candles. In 1922, the first Pinckneyville Mardi Gras, sponsored by what was then the Businessmen's Association, was held around the town square. In 1923, awards were given to costumed marchers. Helen Bartle Nesbit was judged the best Indian; Charlie Doerr was the best policeman; Marion Veach Duckworth was the most attractive Cabaret Dancer; and Edna Thetford Hincke was voted the most comical clown. Every year since then Pinckneyville's famous Halloween parade, with its colorful floats and costumed marchers, has drawn visitors from throughout Southern Illinois.

FRESHMAN STUDENT COUNCIL: Susan Benedict, Jane Giacomo, Cathy Beninati, Lisa Thompson, Sherry Hicks.

In Memory of Sandra Boling
a Junior at Pinckneyville Community High School
Born: September 3, 1960 Died: December 5, 1977

Death, be not proud, though some have
called thee
Mighty and dreadful, for thou art not
so:
For those whom thou think'st thou dost
overthrow
Die not, poor Death; not yet canst thou
kill me.
From Rest and Sleep, which but thy
picture be,
Much pleasure, then from thee much
more much flow;
And soonest our best men with thee do
go —
Rest of their bones and souls' delivery!
Thou'rt slave to fate, chance, kings,
and desperate men,
And dost with poison, war, and
sickness dwell;
And poppy or charms can make us
sleep as well
And better than thy stroke. Why
swell'st thou then?
One short sleep past, we wake
eternally,
And Death shall be no more: Death,
thou shalt die!
